

WE SEEK YOUR FIRE USE COMBUSTIFIER

A revolutionary app

An app that fixes the issue of unsafe and narrow corridors that every community faces

Available for both Android and iOS

Regardless of platform, Combustifier is accessible to everyone

Easy and simple to use

Our easy-to-navigate UI allows users of all ages to intuitively use the app

A special Reports System

The town council can receive reports of corridors that have lower than 1.2m of walking space and can take immediate action.

Helps save lives with a click

Detected combustible items can be very hazardous; proper disposal can help save several lives

BE AWARE AND
COMBUSTIFY
AWAY!
